

Easy Is Nice, On Any Device.

With an enhanced FreemanOnline, we are making it easier than ever for Exhibitors to get what they need in order to have a great event. Exhibitors will enjoy easy access to all of the features and functions of FreemanOnline and the high caliber of Freeman services they've come to expect – before, during and after the show. Also, Exhibitors can access FreemanOnline from any device- desktop, laptop, tablet or our new FreemanOnline app.

FreemanOnline gives Exhibitors the power to:

Access important show information: The information Exhibitors need is just a tap away. Access shipping addresses, facility rules and, with our integrated calendar feature, add all important show dates to calendars with ease.

Order Pre-Show, during Move in and throughout the Show*: A seamless ordering and check-out experience puts the right products and services at your fingertips from ANY device (desktop, laptop, tablet or smartphone app)

Track Freight: Through our multi-function Freight Services feature, track shipments every step of the way.

Submit Service Requests: Get assistance through Concierge Services no matter the need. Whether submitting a real-time request*, calling or emailing, all via the app – our customer service experts are ready to help.

Receive Notifications: Freight and electrical notifications keep Exhibitors informed of progress along the way.

Move-Out of the Show: We make checking out of the show as simple as 1-2-3. Now view, update and submit move-out paperwork right from the app to help get Exhibitors on their way after a busy show.

View Order History: Exhibitors have the ability to access order history and view invoices from previous shows.

*Available only on select shows.
